Yay for YOU!!! Congrats on your studio!! Kudos!!

My father also bought some stuff for Jenna and I'm sure my grandparents, aunts and uncles will scrounge things together for her as well... I'll have Jenna give you call and see what she needs that you may have.

I hope all is well with you and yours... My life is continuing to provide learning and growing opportunities in many interesting ways. I can't wait to tell you all about them soon. We REALLY, REALLY need to get together if we can both find the time... hehehe

Love you lots!!

Gina

I had a feeling her Gram might help her out. We have silverware, a microwave and pans, but they are used. Jen is welcome to call me or you too Gina, if you find things she still needs. We are opening a new Tae Kwon Do center tonight, otherwise business as usual. Love you guys, Linda

Hey all... Just got an email from my mother stating that she took Jenna shopping the other day and bought her many items that I had listed on my previous email to you. Here is the list of things Jenna now has. However, I'm not sure of the quantity of some of the things that she now has so she may need more, depending on the item... The best thing to do, I suppose, would be to call Jenna directly at 557-0290.

Thank you for all of your help. I, and Jenna, very very much appreciate your help and concern.

Love to you all,

Gina

Email from Mom: "Hey, I took Jenna to Sam's club yesterday & we got her a microwave & tea pot, food & staples, broom, laundry detergent & softener, hand soap, shampoo, toilet paper & tissues... I also gave her my gold dishes, paper plates, green silver ware, can opener, plastic glasses, blankets, sheet, towels, both hand & bath & wash clothes, cookie sheet.

Food consist of : Hamburg, sausages, hot dogs, chicken, cheese, mac & cheese, bread, peanut butter, spaghetti & sauce, hot chocolate, chips, flour, sugar, Salt & pepper, margarine, milk , spaghettios mustard & ketchup. Buying at Sams allowed her to get in large quantities, so she won't go hungry for a while. She still needs a waste basket for kitchen & bedroom, some veggies. I did get her some trash bags. Please check with her for anything that she still needs, we pretty much stocked her pantry with goodies."
