Subject: Thank you...

Hello... Thank you for your inquiry. You will discover that I am definitely NOT like the typical women in this scene and I am pleased to see that my attitude and self-opinion are appreciated by others.

I currently reside in Augusta, Maine but am able and willing to travel to you, at your expense. I luv to drive my '95 Toyota Celica 5spd and would be most interested in driving to your location at a mutually agreed upon time/date/location. Having my car will give me the feeling of safety through my providing my own transportation.

A little about me: I'm 37 although I feel/act 20something. However, you will be shockingly and pleasantly surprised at the old soul wisdom I interject into our experiences together. I'm a college senior working toward my Bachelor's Degree in Mental Health/Human Services with an expected graduation date of December 2007. My heart's desire is to help children and their families learn to live and love peacefully and joyfully together.

I am currently on summer break and unemployed so I am able to travel on short notice provided we both are comfortable with the arrangements. As this is a new experience for me, I am ignorant of the "market rate" for this particular service; I only know what I feel my time is worth. With that said, the following rates are rough and unrefined. I'm simply choosing a jumping-off point, so please don't be shy about your previous experiences with like quality women and what you feel would be an appropriate gift:

1hr	:	\$300
1.5hrs	:	\$450
2-5 hrs	:	\$550 - \$1250
6 hrs	:	\$1500
12 hrs	:	\$3000
24 hrs	:	\$5000
Travel	:	Out-of-state (Maine) travel requires 30% of expected gift in advance via PayPal or wire transfer
Gas	:	\$100 total
Accommodations:	:	Minimum 3-star hotel, or greater
Parking	:	Reasonable secure accommodations
Extras	:	Negotiable ( <i>i.e. bbbj, daty, greek, dfk, etc.</i> )

Next, if you would so kindly send me a clear and accurate representation of your face and body. This will ensure minimal awkwardness and discomfort upon our first meeting. I will graciously send you more pics of me if you so request.

Lastly, if you would tell me how long an experience you're looking to have with me, where it would occur and when you are looking to set this up. With that said, I look forward to creating a memorable and stimulating experience for both of us.

Affectionately,

GiA

P.S. I have Yahoo messenger if you are interested in chatting prior to our meeting. Yahoo would also be a great venue to share pics and webcam. Let me know if this interests you...
