What is it that YOU are seeking?? Could it be a classy, strong and intelligent woman to take with you to a business dinner or function? A sexy, rhythmic vixen who you can show off at the hottest dance clubs? A soft, gentle woman with whom to walk in the park or snuggle in front of the TV? How about an adventurous, risqué, and spontaneous woman to escort you on out-of-town trips? An athletic woman to take to a Red Sox game, perhaps? How about someone who enjoys theater, comedy clubs and other dramatic performances?? Certainly dont forget about those private, intimate times only you and I will share So, Luv, whats your poison??

What imaginations do YOU have when you envision a Goddess? Do you create in your mind a beautiful, powerful, grounded, elegant, and classy woman?? Or do you visualize a sensual creature who has the ability and desire to make all your fantasies come true? I'm an interesting combination of Intelligence intermixed with Redneck, Beautiful, Sexy, Sassy, Feisty, Classy, Self-Dependent, Hard-Working, Determined, College-educated, Honest, Strong-willed, Perceptive, Empathic, Spontaneous (a bit Crazy, maybe??), Adventurous, Quirky, Extraordinary (sometimes Bizarre), Optimistic, Passionate, Outgoing, and Free-Spirited. Would you use these same descriptives for yourself?? What value do you place on a woman who is of equal character?? Even better, perhaps?? You never need to worry about the complications of romantic infatuation and the lack of judgment that accompanies it. I want to expand your world with love and joy only How valuable is that to you, luv?
