Would you consider divulging your identity to me now?? I am who I appear to be... I am real... and not at all interested in making anyone's life any more difficult than it already is, especially my own...

You are a cutie. I didn't respond earlier because I've a high profile job that makes sending a pic out blind a bad idea. (Really, this is true.) But if someone is giving you a hard time, they're an idiot. I'm a very attractive, very smart guy who - and again I don't expect a response so I'll just say it, even if sounds like bragging - is good looking enough for anyone. I've dated models and millionaires, and millionaire models. And you are certainly more than good looking enough for me. :-) Good luck. -j
