Hi there,

Glad you liked my post. Tell me a little bit about yourself. Where are you from? What are your likes. Dislikes. Do you happen to have a picture or two? Can reply with a couple of myself. Hope this email finds you well and hope to talk soon.

A.

Although I am not seeking a sugar daddy as I am too self-dependent to allow anyone to support me, I am seeking someone who is grounded, motivated and philanthropic with their various triumphs and resultant fortunes in return for my genuine attraction and affection minus the emotionally-charged drama of a lady less than comfortable with her BEingness... I am a highly intelligent and attractive 38 y.o. single, never-married mother of one 19 y.o. incredible young woman... She no longer lives with me as she is beginning her venture into the world of adult responsibilities and freedoms but she lives within 10 min. of my home... I work full time for the Maine govt and am also a college student studying human behavior and mental health... I expect to graduate with my BS in Mental Health/Human Services in the next 1-2 years... I have plans to continue onto graduate school to earn my PsyD in Forensic Psychology as I am forever and incessantly intrigued by the inane behaviors of my fellow earthly cohorts...

I wanted to introduce myself with a picture and ask for reciprocation so we can begin with whatever adventure might be waiting for us...

Namaste'

Gina
