It is so ironic that you sent this to me today. I was just at superior court all afternoon today beginning at 1pm to argue my 18pg motion to dismiss and other motions. The judge caught wind of my sovereign status by observing my reactions to another sovereign 'defendant' who argued his case earlier in the afternoon. It appeared the judge then dragged his feet and delayed my case until the very last minute and finally called my case at 4:10pm today !

I told him it was impossible to have a lawful and complete hearing on my 18pg motion to dismiss in just a few minutes and that I require a continuance in order to schedule an appropriate amount of time to hear all the facts in the motion.

CONTINUED for 60 DAYS !! and now that you have sent me this document I have one more silver bullet for my oozie ...

Boy, I am gonna have some fun !!

Thank you !! I hope you and your family are well !

Gina
