No kidding ?? hmmmmm ... would that be the 'diplomatic' license plate for 'foreign sovereigns' ?? that might work if we can get our own sovereignty acknowledged...

Ask David if he has heard of the World Citizen passport and other paperwork ... it was created by a MAINER named Garry Davis from Ellsworth in 1953 !!

For what it's worth... I just found out from David Robinson that there is a license plate called, "Sovereign!"

Of course, that may, somewhat negate the whole idea of sovereign.
