I'm stuck in Augusta without wheels. Would love to hear how you've been doing if you can travel.

She is doing great! She has a little girl of her own now who just turned 2 and she works full time at Pizza Hut in Augusta.

No, I don't have wheels... had to sell them a few months ago to pay rent ... times are rough right now.

Glad to see you have that great smile that I remember and that Jenna spoke about all the time ... she thought you were a great guy.
