Subject: RE: Notice to File 2015 Annual Report with the Maine Secretary of State

I can initiate a free group conference call from my skype account if you want to do a group meeting.

I am also trying to decide if I want to file my annual report for MAINE TENANTS JUSTICE LEAGUE, Inc. or if I want to dissolve the corporation. Both actions cost money ... annual report \$35; dissolution \$20

They get us coming and going as a "corporation" ... but what do we get from being a corporation ?? I've not received any benefit yet and have spent a shitload of money to provide a free public service ... sounds like I should be deemed a government agency :D

This is 1 reason I thought the corporation might (or should) be dissolved/ unincorporated. I am not sure we can afford the filing fee (\$35) for doing nothing with this corporation, but fully support the continuation of work as the Constitution Coalition of Maine.

Thoughts??

Wayne

File Online Today Using Maine's [Annual Reports Online](#) service.

This is a reminder that your 2015 Annual Report can now be filed. The filing deadline is June 1, 2015, however, the Secretary of State encourages you to file your report by April 1, 2015, to avoid delays or inconveniences. This is the only reminder you will receive and you are receiving this email because this email address is associated with the above named entity from a previous online filing.

Your annual report can be filed quickly and easily using Maine's online filing system. To use [Annual Reports Online](#), simply click on this link. Payment may be made by Visa, Mastercard, Discover, electronic check or subscriber account. The annual report fee is \$85 for domestic business entities, \$150 for foreign business entities and \$35 for domestic or foreign nonprofit corporations.

As a convenience, if you filed online in a previous year, the information you provided at that time will automatically be available online for you to review, update and re-file. You will not need to re-enter unchanged information. For subscribers, there is functionality to assist you with managing multiple annual report filings. These include "Save for Later" and "View Filed

Reports".

Another service available when filing the annual report online is to change the address of the noncommercial clerk or noncommercial registered agent or the home office address on file with our office. This service provides the **noncommercial clerk or noncommercial registered agent** the functionality to change their address on file with our office. Additionally, this service provides an **authorized individual** of foreign entities (organized outside Maine) the functionality to change the principal or home office address. If you need to make these address changes separately from the online annual report filing, please use our [Change of Address Online Service](#) , by simply clicking on this link.

If you must file using a paper annual report, you may download your entity's preprinted paper form by using our [Create a Preprinted Annual Report Form](#) service. Simply click on this link to use this service.

A **late-filing penalty** will be assessed on all reports received after June 1, 2015.

If you have any questions about your Annual Report filing or changing your address, please call our office at (207) 624-7752 or send an email to CEC.Corporations@Maine.gov . When contacting our office or using any of our online services, your charter number must be provided as this is your unique identifier.

Thank you for using Maine Secretary of State's online services.
