Hello Gina,

There's nothing much to add to the last response I sent to you.

We are still patiently waiting for the funds.

The low oil prices and the Wall Street downward spiral are indicative of the changes coming.

Let's pray these clues hold true for that change.

Glad your settled in a more permanent spot.

Your address changes have been submitted to the Master File.

Take care and have a Blessed Day!

Hello again!

I have changed my address again, but this one should be absolutely permanent as my friend and I are trying to buy it and we are living in it as tenants with a written contract with a purchase option.

My new physical and mailing address is:

Wow! What a ride we have been on, eh ?

Did you see the latest announcement?

Is there any other news which you can release to me ?

In peace,

Hello Gina,

Per our conversation I have updated your file and will be sending that information to the keeper of the Master File.

You are on the "Bug Me" list as we discussed Because your under a hardship, you will be one of the first to receive 10K from John (When he receives for himself) to get the ball rolling while we wait on the prosperity funds.

This is the correct e-mail address opcgreenteamreplyback@gmail.com for any further communication.

**Always in the subj line have your Application # 6309 and will also use your original e-mail address:
