Gary,

I have attached an Affidavit with several photographs attached which I have printed in color and mailed to your attention for your notarized signature as soon as possible at the address on Town of Sidney's website, 2986 Middle Road, Sidney, Maine 04330.

I plan to send your signed Affidavit to the Waterville District Court immediately so the judge can look at some of the conditions at the property before we come back to court on the 27th. If I'm lucky, the court may dismiss the case after seeing these photos and reading your Affidavit.

I have put the letter in the mail to Town of Sidney today, Saturday August 15, 2015 with "URGENT" marked on the envelope.

Please have the Affidavit notarized and returned to me immediately so I can forward it to the court for their review and action before the 27th.

***** You can print and sign this attached document and have it notarized instead of waiting to receive postal mail from the Town of Sidney ** I can reprint the color photos if necessary *****

Thank you.
