That's your twist. His twist is that you refuse to come to the reunion to say goodbye to him. He is upset at this point, Gina. I suggest you give him a call tomorrow at home. Perhaps you guys can get together and discuss it without a middle man. Good luck.

So, as I understand it, he is willing to let me leave the country, indefinitely, possibly not to return for over a year, if at all, and NOT say good-bye to me in person because he doesn't want anyone to come with me besides Jenna?? Is this correct, Raye??

Wow - that's a shocker. There are many questions, but you are a big girl now and we have to assume you know what you are doing. Your father wants to know what you plan to do about your car.
