Good morning Elyse.

The Universe smiled on me yesterday and let me stay in my apartment at 3 Washington Street Place although every other tenant had to move out. I am the only tenant living in this building now.

You can mail the testing package to me at this address: 3 Washington Street Place, Augusta.

I look forward to working with you. Thank you.

Hello Gina:

I will send you an email when it's ready for you to pick up. I haven't had luck getting responses from other testers.

Have you located a new place?

yes but you need to know that this building is being shut down by code enforcement next wednesday Oct. 16 at 9am because of serious code violations and I do not yet have another place to go ...

it might be better if i come to your office to pick up the package when you are ready because i dont know where i'm going yet ... the people in this building will be all homeless if we each do not receive a miracle in the next 7 days ...

I will send out the test and instructions when the other tester lets me know that they are ready. You are still at: 3 Washington St. Place #1 Augusta?

Hello Gina:

Would you still be interested in completing a fair housing test? It would be telephone only and you would call Rentex in Brunswick to ask about a place.

Thank you,
