NOTES:

Cody Jackson's wife, Jenna Turcotte, is trying to get unsupervised visitation of her daughter, age 9. Mediation was December 12, 2018 and an agreement was reached. Jenna never received a copy of the agreement, and said the Court wanted them to fill out some form which confused them.

Since December 2018, Jenna and Cody have had supervised visitation at the father's residence (biological father is Shane Bragg). Court is Augusta.

The child had been living with Jenna and Cody for her entire life until DHHS took away custody. To keep child from going into

foster care, Jenna gave primary custody to the biological father.
